- Tufts: Tufts Medical Center; MGH: Mass General Hospital
- O’Keefe auditorium is near the main entrance of MGH. After entering MGH, ask the Information Desk at the main entrance. When at auditorium, look for Dr. Delichatsios.
- 165 Cambridge Street is accessible via the T-red line. After you get off at MGH stop, you need to start walking towards MGH, pass Holiday Inn on your left, 165 Cambridge Street is the second building on your left after Holiday Inn. Entrance is next to Whole Foods store. Go to the 5th floor and tell the front desk that you are a student and you are here to spend some time with Dr. Delichatsios.
- The Biewend building is on Tremont St., next to the Wang theater. Take T-green line, get off at Boylston stop, walk on Tremont St. away from the Boston Common and towards the theater area.
- Dr. Pittas’s office is on 75 Kneeland St 10th floor. You may take T-green line as above, walk 1 block on Tremont St, turn left on Stuart, then walk a few blocks towards route 90 (Stuart St becomes Kneeland St). The office entrance is on your right. Alternatively, you may take the T-orange line, get off at Tufts Medical Center stop. Take the exit towards Tufts Medical Center, when above ground, you will see the main entrance, turn left walk on Washington St one block and turn right and walk on Kneeland Street a few blocks towards route 90. The office entrance is on your right.
- Floating hospital, street floor is just across the entrance of Tufts Medical Center, next to the Tufts Medical Center / Floating sign.
